

UPDATE YOUR CONTACT INFORMATION WITH EVERY CHANGE.

Communication with members is very important to us. We encourage you to call our office or write down your updated contact information as you turn in your payments.

During the recent April storm, we found a number of members had outdated contact information.

As you remove land lines, change numbers, add contact people, etc., please make sure we have that information so our system is up to date.

ANNUAL MEETING OF THE MEMBERSHIP, MAY 23RD AT THE NIOBRARA COUNTY FAIRGROUNDS.

Members will be receiving registration cards for Annual Meeting in the mail the first part of May. These cards should be brought with you to the meeting. They will be scanned in at the registration process. This saves time for everyone in line and increases efficiency for staff.

If you can not attend and want to appoint your proxy, please fill your card out according to instructions provided on it and turn the card in to our office, or give it directly to the designated proxy holder. Call our office with any questions on the use of proxies.

Election of Directors will take place during the business meeting. Three incumbent directors, Bradyn Bruegger, Andy Barnett and Jim Dunn, have been nomination for re-election. No additional nominations or petitions to be placed on the ballot have been received in accordance with NEA bylaws. An uncontested election means nominees may be re-elected by acclimation and ballot voting need not take place. Regardless of voting, the association has a lot of business to cover and we welcome an active and engaged membership participating in the meeting.

Along with coverage of financial business, system updates will be presented, the Coop Spirit award will be announced, scholarship winners will be honored, NEA employee service awards will be presented, door prizes will be drawn for and a delicious meal will be enjoyed.

Registration begins at 5:00 p.m., meal and business meeting to follow.

Lusk, WY 82225

nea@niobrara-electric.org

1st and 2nd grade students and teachers from Niobrara County School District came to NEA and distributed goodie buckets to all employees for their service during the April snow storm that brought NEA service area activities to a halt over consecutive days.

Welcome moisture accompanied by damaging wind and snow tore down distribution and transmission line as well as breaking cross arms and poles.

Most service was restored within 24 hours of the blizzard conditions clearing. However, some sections of line were not accessible for days.

Linemen enjoying the kids passing out buckets and visiting with the crew in this photo are, from left to right: Journeyman Dylan Haas (Nebraska), Apprentice Shawn Leimser (Wyoming), Line Foreman Levi Clark (Wyoming), Operations Manager Jason Fish and Journeyman Charles Kleinberg (Wyoming).
